## Macroeconomic & Corporate News

### Telecom Regulatory Commission recorded JD91m as surplus in 2017'

The Telecom Regulatory Commission (TRC) in 2017 transferred JD91 million as surplus to the Treasury, compared to JD84 million in 2016, marking an increase of 7 per cent, Chief Commissioner Ghazi Jbour said on Tuesday. Jbour noted that the total amount transferred to the Treasury between 2015 and 2017 reached around JD362 million, the Jordan News Agency, Petra, reported. He added that in the past three years, the TRC transferred around JD1.673 billion to the Treasury.

### Over \$1 billion invested in water sector in 2017

Over \$1 billion was invested in the water sector in 2017 in projects to improve and increase water supply, link more households to the sewage network and expand the sector's reliance on renewable energy, a senior government official said on Tuesday. Over the past year, the Ministry of Water and Irrigation has completed the mega National Water Carrier project, which interlinks water projects across the Kingdom, Minister of Water and Irrigation Hazem El Nasser said in a press statement on the sector's achievements and plans. "The seven components of the National Water Carrier project were all completed in 2017 to provide the northern governorates with 300-500 cubic metres of water per hour and to increase this amount whenever the need arises..." El Nasser said in the statement.

### Jordan to host Iranian products exhibition

Jordan is scheduled to host the fourth Iranian products exhibition to be held at Al Hussein Youth City on January 25, organisers announced on Monday. More than 30 Iranian companies will take part in the seven-day exhibition that will be held in cooperation with the Iranian embassy in Amman, the Jordan News Agency, Petra, reported. The trade balance between Jordan and Iran in 2016 stood at JD97 million. The Jordanian exports to Iran amounted to JD12 million while the Kingdom's imports from Iran stood at JD85 million during the same year.
