Saudi Arabia major trade partner of Jordan

President of the Amman Chamber of Commerce (ACC) Senator Issa Haidar Murad said that Saudi Arabia is one of Jordan's main trade partner, noting that the volume of trade between the two countries stood at \$5 billion in 2016 . In a press statement on Saturday on the occasion of the visit of the Saudi King Salman Bin Abdul Aziz Al Saud to Jordan this week, Murad said that Saudi Arabia is Jordan's third major trade partner after the United States and Iraq. He said Jordan imports most of its needs of oil from Saudi Arabia, noting that medicine, air conditions and foodstuffs top Jordan's exports to the neighboring country. The ACC president said that the volume of Saudi investments that have benefited from the Investment Promotion Law since its approval in 1995 and until 2016, reached \$3 billion, accounting for 54 percent of the investments of GCC states in Jordan.

Jordan, Palestine sign agricultural MoU

Agricultural Credit Corporation (ACC) on Thursday signed with the Palestinian Agricultural Credit Institution a Memorandum of Understanding (MoU) to boost cooperation in the areas of agricultural financing and credit and the exchange of expertise and visits. The agreement was signed by Director General of the ACC Mohammad Issa Al Hiyari and Undersecretary of the Palestinian Agriculture Ministry Abdullah Lahlouh. Hiyari said the deal reflects Jordan's keenness to provide all support to the Palestinians as well as the willingness of both countries to develop cooperation in the agricultural credit field.

Jordan's Izzat Marji Group obtains license to provide energy audit services

As it continues to deliver outstanding achievements in various fields, Izzat Marji Group (IMG) has recently become one of the first companies in the Kingdom to obtain a license from the Ministry of Energy and Mineral Resources (MEMR) allowing it to extend energy audit services. With the new license, IMG can provide energy audit services to the industrial sector with the support of the Jordan Renewable Energy and Energy Efficiency Fund (JREEEF), in addition to various commercial sectors, hotels, hospitals and schools, among others. Moreover, the license aims to provide consumers with the best engineering solutions to ease the burden of energy bills and increase profits in accordance with international standards, while also taking into consideration the environment's conservation.
