Hassan, World Bank delegation discuss partnership

Deputy Prime Minister and Minister of State for Economic Affairs Jafar Hassan on Monday met with a World Bank (WB) delegation headed by the dean of the board of executive directors Merza Hassan, the Jordan News Agency, Petra, reported. The meeting covered bilateral relations, the bank's role in supporting the Kingdom's development efforts and the Economic Growth Plan (EGP) for the next five years, which aims to double the growth rate by 2022. The minister noted that the efforts of the government's economic team in charge of implementing the EGP aim at achieving sustainable growth "which is the number one factor to achieving the sought-after self-sufficiency". For his part, the WB official stressed the bank's keenness on enhancing Jordan's capabilities to implement the plan through various programmes, outlining the bank's existing measures to support the Kingdom's economy.

World Bank offers \$348,000 grant to improve Ajloun infrastructure

The World Bank has provided a \$348,000 grant to Ajloun Greater Municipality to finance the implementation of infrastructure projects, the Jordan News Agency, Petra, reported on Monday. Ajloun Mayor Hassan Zghoul said that the grant aims to fund infrastructure projects, including maintenance of roads and buildings and purchase of construction and service machinery, stressing that this will contribute in improving public services at the governorate, 70 km northwest of Amman.

Gov't economic team reviews implementation of energy saving projects

The government's economic team on Monday discussed means to reduce the cost of electricity for productive sectors in order to enhance their competitiveness, the Jordan News Agency, Petra, reported. During the meeting, chaired by Deputy Prime Minister and State Minister for Economic Affairs Jaafar Hassan, the team outlined the measures taken to follow up on the implementation of some projects proposed by Jerash representatives during the team's visit last month. Projects include connecting the ancient and modern cities of Jerash, 45 kilometres north of Amman, and improving public transport and the industrial estate, all within this year's timeframe.
